2. Distinguishing facilities between University of Tsukuba and The Open University

All the facilities owned by University of Tsukuba have purple line on the left side of the room sign boards. (Facilities owned by the Open University of Japan don't have any line on them.)

Note: Laboratory room 4 to 9 and lecture room 6 to 9 on the Second floor are owned by the Open University. However the University of Tsukuba has priority utilization of those rooms for its lectures according to the agreement between two universities.

3. Lecture rooms utilization

The doors on the lecture rooms are scheduled to open before lecture time. (It will be unlocked 30 minutes before the lecture time and locked 30 minutes after the lecture ends.) Therefore students are not necessary to unlock the doors by using their Student ID card.

4. Seminar rooms utilization

Seminar rooms are available as per faculty's request for booking. The booked room's doors are scheduled to open during the booking period. (It will be unlocked 30 minutes before the booking time and locked 30 minutes after the booking period ends.) Therefore students are not necessary to unlock the doors by using their student ID card.

If students wish to use lecture rooms for their self-study purpose, please ask the Academic Service Office. Reservation will be accepted one week prior to the date.

5. Student lounge utilization

There are student lounges owned by University of Tsukuba on the fourth floor (#455), fifth floor (#548) and Sixth floor (#608). Students can enter the room by using their Student ID card except the lounge on the fourth floor (#455). The door at the 455 Student lounge opens for 24 hours.

The Student Lounge is a comfortable area open to students for gathering, studying, and relaxing between classes. Students are expected to act in a manner respectful of the rights of others to comfortably use the lounge.

6. Student Hall utilization

Student hall on the Second floor is owned by the Open University. As it's mentioned in the Section 2, University of Tsukuba sometimes uses the facilities on the Second floor. In that case, students can also use the student hall on the Second floor between the lecture(s).

Student hall on the Basement floor and the Third floor are shared facilities by the Open University and the University of Tsukuba.

Please note that student hall may be restricted to use due to the University official events, academic conference etc.

7. Rooms available for all students at Tokyo Campus

All students at Tokyo Campus can enter the inside of entrance door, library and Tokyo Satellite (#454) with their Student ID card.

8. Rooms available for students at each program
